## DECLARATION OF ADRIAN RISKIN

1. My name is Adrian Riskin. I have personal knowledge of the facts contained in this declaration, and if called to testify, I could and would testify competently as to the truth of the facts in this declaration.

2. In 2016 I began requesting that the City of Los Angeles release information about homeless encampment clean ups, now called CARE and CARE+, pursuant to its obligations under the California Public Records Act. I requested that this information be freely posted, or emailed, but the Bureau of Sanitation refused.

3. After numerous back and forth discussions with LA Sanitation over the course of three years, in March 2019, LA Sanitation began using the City's public records portal to transfer CARE and CARE+ schedules to me. The portal generates an emailed alert that the notices have been uploaded to the portal.

4. Every weekday, I expect to receive notification that Sanitation has uploaded the schedule of CARE and CARE+ clean-ups for the day to the portal and to be able to download the schedules from the portal. I receive notification at my personal email address.

5. Generally, I receive the email about the notices before 9:00 a.m. Only rarely do I receive the notices after 10:00 a.m. In July 2020, I received the notices by 10:00 a.m. on all but two weekdays in July 2020.

6. Once I receive the email alert, I email the schedule to members of the community, including members of the press, attorneys, homeless outreach workers, and others who have requested I send them the notices.

7. I am in the habit of checking my emails on my phone every time I receive a notification of new email. I am usually on alert until I receive that day's clean-up notice because community members are relying on me for schedule information. I usually stop whatever I am doing once I receive the emails from LA Sanitation and email out the CARE and CARE+ Confirmation Sheets immediately.

1           8. Attached as Exhibit A is a true and correct copy of a screen shot of  
2 the Nextrequest portal where I receive the CARE and CARE+ Confirmation Sheets.

3           9. On July 31, 2020, the City inexplicably did not provide notices for  
4 CARE+ cleanups until 2:08pm, hours after they are usually posted. Exhibit A shows  
5 a timestamp of 2:08pm, which I presume to be the correct time it was posted. I have  
6 never found an error in the timestamp of the notices I receive.

7           10. Attached as Exhibit B are true and correct copies of the CARE and  
8 CARE+ Confirmation Sheets for July 31, 2020, along with the email I sent to  
9 community members, forwarding the Confirmation sheets. I received the notice July  
10 31, 2020 on or around 2:08 p.m. through the portal, and emailed the schedules to the  
11 community at 2:10 p.m.

12           11. Attached as Exhibit C are true and correct copies of the CARE and  
13 CARE+ Confirmation Sheets for August 4, 2020. I received the Confirmation Sheets  
14 at 8:16 a.m. and emailed them out to the community at 8:36 a.m.

15           12. Attached as Exhibit D are true and correct copies of the CARE and  
16 CARE+ Confirmation Sheets for August 7, 2020. I did not receive this notice until  
17 12:41 p.m. I emailed it out to the community at 12:45 p.m.

18           13. Attached as Exhibit E are true and correct copies of the CARE and  
19 CARE+ Confirmation Sheets for August 11, 2020. I received the notice at 10:40 a.m.  
20 and emailed it out to the community at 10:48 a.m.

21           14. Attached as Exhibit F are true and correct copies of the CARE and  
22 CARE+ Confirmation Sheets for August 12, 2020. I received the notice at 11:18 a.m.  
23 and emailed it out to the community at 11:24 a.m.

24           I declare under penalty of perjury that the foregoing is true and correct.  
25

26           Executed on August 14, 2020 in Los Angeles, California
